

Instream Flow Ad-Hoc Meeting
December 7, 2010
Macon Water Authority Amerson Water Treatment Plant*
703 River Bend Road
Macon, GA

Instream Flow Ad-Hoc Meeting: a voluntary work session on instream flows and aquatic resources with the major objective to develop language for recommendations regarding the next round of planning that Councils can consider for inclusion in their draft plans.

Co-moderators: Gail Cowie, GAEPD and Becky Champion, GAEPD

Invited Expert: Mary Freeman, USGS

Tentative agenda:

- 10:00am Welcome and Introductions
- 10:15am Background: instream flow provisions in Georgia and other states
- 11:00am Identifying resource values and instream flows to support them
- 12:00pm Lunch (provided for Council members)
- 12:45pm Information needs (what do we know, what do we need to know)
- 1:15pm Options for Councils' consideration
- 2:00pm Adjourn

* A gate code has been established for our group to enter the property. GATE CODE is: 0425
